

Intellectual property and terms of use of content and materials on the Website www.imi-melamed.it

Welcome to our website.

1. The contents of this website (hereafter, the "**Site**") are the exclusive and reserved property of **IMI - Intergruppo Melanoma Italiano** (via Goffredo Mameli 3/1, Genoa, P.I. 02650230408-C.F. 92041960409), except for images, documents and texts bearing the specific reference of the relevant owner, whose use by **IMI** is based on the basis of specific authorizations and, in any case, in accordance with the regulations on the protection of Intellectual and/or Industrial Property rights. In particular, part of the iconographic material and related texts used in the Multimedia Atlas present on the site are taken from the CD-ROM "**Cutaneous Melanoma**," an unpublished work validly deposited in accordance with current legislation protecting copyright and intellectual property rights, by means of a concession for use made by the rights holder, Prof. **Ignazio Stanganelli**.
2. The term "**Site**" is intended to refer to any content and technical-informatic element underlying the Site itself, including, by way of example and not limited to, the software that enables its operation and related codes, electronic databases, texts, photographs, animations, audio and video files regardless of format, reproductions of trademarks, logos, etc., the technical solutions adopted, the graphic designs, the structure and any other part already created or to be created.
3. The term "**Intellectual and/or Industrial Property Rights**" relating to the Site is intended to refer to the set of rights recognized and protected by current national and international regulations, including - by way of example but not limited to, with respect to all states of the world and without any term - any right arising from patents (including the right to file the relevant application), present or future copyrights, trademarks and/or service marks (whether registered or used de facto by **IMI**, brands, trade names, know-how, domain names, databases and all related applications).
4. The term "**Materials**" is intended to refer to any content of the Site represented - by way of example and not exhaustive - by texts, images, graphic realizations, files, software of any kind, audio materials, videos, virtual animations, multimedia and/or hypertextual elements, regardless of the formats, the media that contain them, the extension (by way of example and not exhaustive: mp3, wav, jpg, mpeg, gif, doc, etc.), the size, the versions in use, the

techniques used for their distribution and/or transmission. The Materials published on the Site may not be used without having obtained prior written authorization from **IMI** and must in any case:

- a. a. remain in their original format and, if reproduced, must always bear proprietary or copyright or author indications;
 - b. b. not involve use, in any capacity and for any purpose, for profit;
 - c. c. cite the source, author and owner of the rights to the Materials (**IMI** or other entity) and the web address from which they were obtained (**www.imi-melamed.it**)
5. All scientific content published on **www.imi-melamed.it** is produced by **IMI**, where not otherwise specified. These are supervised by the Scientific Manager of the Melamed Project: Prof. **Ignazio Stanganelli**. All intellectual and/or industrial property rights as provided by national and international industry regulations are expressly reserved by the owners. In case of infringement, the authors will be prosecuted according to the law.
6. The Materials published on the Site have been carefully screened, analyzed and have been processed with the utmost care; however, this does not exclude the possibility that there may be Materials containing errors or omissions. In such cases, **IMI** shall not be liable for errors and omissions or for any reliance you place on the Materials.
7. The information contained on the Site is intended solely as an educational and instructional support. Under no circumstances are they intended as medical advice or guidance for individual conditions or treatments. They are in no way a substitute for a medical examination or the need for services provided by medical professionals. **IMI** cannot be held responsible for any actions or omissions made by users as a result of the use of the information contained in the Materials.
8. Each user's access to and use of this Web site implies conscious acknowledgement and full acceptance of the terms of the conditions specified herein. The user undertakes to scrupulously comply with the conditions of use of the Materials usable on the Website and to respect all Intellectual and/or Industrial Property Rights related there.
9. At any time **IMI** reserves the right to update or change these conditions and the terms of use of the Website and its platform, by notification on the Home Page as soon as adopted.
10. The user will be liable in his own right for any unlawful or damaging acts attributable to him, also conferring the widest indemnity on the Owner in the event that the conduct in violation of national and/or international regulations for the protection of Intellectual and/or Industrial

Property - referred to herein in full and applicable to the extent not expressly provided for - harms the rights of third parties in general.

11. For any clarification regarding the use of the Materials available on the Site and/or regarding the reporting of alleged violations of Intellectual and/or Industrial Property Rights, you may contact the **IMI** secretariat at the e-mail address **interguppomelanomaitaliano@messaggipec.it**.
